

Hear Clear Canada & COVID-19

As the community begins to reopen, Hear Clear Canada is adhering to all health and safety guidelines recommended by Canadian public health experts. **We are now open by appointment only.**

To ensure your visit to the clinic is safe, we have made some changes following the guidelines of our association and our government health experts.

We are now accepting new clients and we are excited and look forward to seeing all of our existing clients.

Please call the clinic at 905-419-5235 or email jdasilva@hearclearcanada.com to book your appointment.

Take care and stay safe,
